

NATIONAL BOARD CERTIFICATION

2005-2006 Application for \$2,500 Annual Award

Sponsored by the Iowa Department of Education

DUE: Application must be postmarked no later than **May 1, 2006**.

NOTE: The following information reflects the current Iowa law governing National Board Certification (NBC). Please read carefully.

The Iowa Department of Education (DE) has received funding from the Iowa legislature to provide teachers achieving NBC after May 1, 2000, a maximum award of \$2,500 per year for a total amount of \$25,000. The annual award is available for a nonrenewable term of 10 years of NBC.

Iowa Code section 256.44(2) requires the DE to prorate the amount of the annual award if the number of applicants exceeds the funds available. As such, NBC teachers will receive an annual award of \$2,500 or, if necessary, a lesser prorated amount. Annual appropriations by the legislature will be required to continue funding NBC award programs.

Under state law, in order to qualify for the NBC annual award, an NBC teacher must:

- Apply to the DE for the initial annual award within one year of becoming eligible.
- File an annual application by May 1 of each year.
- Be an Iowa licensed teacher employed by an Iowa public school district and receiving salary from the school district as a classroom teacher.

The deadline for submitting applications to the DE for the NBC annual award during the 2005-2006 fiscal year is **May 1, 2006**. Iowa law states that the DE is to pay the \$2,500 award no later than June 1 of each fiscal year. For this fiscal year, the award will be paid no later than **Thursday, June 1, 2006**.

Questions?

Certification or Renewal of Certification. Questions regarding the process required to receive National Board Certification or renewal of certification should be directed to:
